OUR MISSION
Center on Halsted advances community and secures the health and well-being of the Lesbian, Gay, Bisexual, Transgender, and Queer people of Chicagoland.

OUR VISION
A thriving LGBTQ community, living powerfully in supportive, inclusive environments.

OUR HISTORY
Gay Horizons, founded in 1973 as a volunteer-run telephone helpline and meeting place for gays and lesbians, became Horizons Community Services, Inc. in 1985. The organization was renamed Center on Halsted in 2003. After a $20 million capital campaign involving 2,000 donors, Center on Halsted opened its 175,000 sq. ft. building in 2007 with Whole Foods Market in residence.

Center on Halsted has expanded to include Center on Addison, an LGBTQ Senior Center, Town Hall Apartments, LGBTQ-friendly and affordable senior housing, the Youth Housing Initiative, cluster-site housing for LGBTQ young people experiencing homelessness, and diverse community programs and social services.

“The Youth Program at Center on Halsted is a foundation for my growth and success. The training and development provides direction towards securing my stability.”
— Frank, Youth Program Participant

“As a transgender woman, the Senior Program at Center on Halsted lets me live my truth and continually improve my quality of life.”
