

# LGBTQ Survivors of Domestic & Intimate Partner Violence

## LGBTQ Survivors of Domestic & Intimate Partner Violence Thursdays at 5:30-7 p.m.

This therapy group meets to facilitate connection, promote healthy relationships, increase awareness of domestic violence, empower individuals and communities, as well as to foster shared learning and healing from past or current unhealthy or abusive relationships. **A group for adults who have encountered (current or previous) intimate partner or domestic violence, with specific attention toward the often neglected experiences of LGBTQ survivors and same sex relationships.**
